Hi Andrew-

Sounds good. I'll call you around 8:30 AM Thursday, thanks!

One thing I was wondering about, is there an EPA Community Involvement Coordinator that has been assigned this project?

Thanks!

Gary

Good Morning Gary,

I have no comments on the draft. We agree that everything needs to be consolidated to one location. Per the 2008 ROD, that location needs to be the Bridgeton branch library. Let's just make sure we go through the requested process of the main library. They're free to hold on to copies if they'd like, but that would be done on their own. All of the materials that we supply will need to go directly to Bridgeton.

If you're in the office Thursday, please give me a call before 10am. We can discuss completing the TO.

Thanks,

**Andrew Gieseke**
